

2010-2011
OUR LADY OF THE ELMS
PHOTO AND VIDEO RELEASE

Dear OLE Parent or Guardian:

Throughout the 2010-2011 school year, your child's photo or a video of your child may be taken at a school event, in the classroom and/or around our campus. These photos and videos are used for school publications and advertising. Photos and videos may also be placed on our Web site. (Web site pictures are used in general and students' names are not published. If there is a special situation where a student would be identified on our Web site, we will ask for permission first.)

This form indicates permission for use and a release of your child's(ren's) photo(s) and video(s). It also authorizes the reproduction or broadcast of the photo(s) or video(s) and assign all rights to the photo(s) and video(s) to Our Lady of the Elms. Please sign and return this form to your child's(ren's) classroom teacher. Remember to indicate your child's(ren's) grade level. The forms will be maintained in the school office from August 2010 through July 2011.

Thank you for your support.
