

Preschool Program

3-5 Year Olds

The Elms Preschool is dedicated to the growth of the whole person within a context of Christian values in a nurturing, learning environment. Children begin the Elms experience in a program that utilizes a comprehensive developmental approach in which they gain a sense of trust and well-being. A multi-sensory curriculum encourages children to develop a sense of self-esteem, to demonstrate cooperative, pro-social behavior and to exhibit a positive attitude toward life.
